

Australia Awards

Alumni Engagement Professional Development Workshop

Innovation & Entrepreneurship Bootcamp An 'Alumni Innovation Change' Program (NGI Region)

We are seeking Australia Awards Alumni applicants who are starting or running their own businesses and would like to develop their knowledge and skills in entrepreneurship.

If you are interested in developing basic skills in managing your business or are planning to run a business, then we would encourage you to apply.

This two-day course aims to train you to think and act entrepreneurially, to continually innovate, and to engage in an on-going process of "creative destruction."

The skills, tools and lessons will enable you to design and champion change and transformation initiatives in their respective organisations or co-work with colleagues. You will also design and develop innovative products or services for your employers or for yourselves.

To be selected for this two-day course training, applicants must:

- Be living and working in the New Guinea Islands (NGI) region.
- Be a financial member of Papua New Guinea Australia Alumni Association.
- Update their profile on the 360Alumni. Go to this link pngaaa.360alumni.com to activate or create your profile. This is essential for all members.
- Be committed to participate fully in the two-day short course.

The course is limited to 25 participants. All course fees and travel costs will be covered by Australia Awards. People with disability are encouraged to apply.

For more information and to download an Expression of Interest form, please visit our website at pngaaa.org/innovation-entrepreneurship-bootcamp. Please complete the Expression of Interest form and send with your CV to alumni@australiaawardspng.org.

All applications MUST be submitted before **midnight on Friday, 16 March 2018**.
